

m/s Amadeus Brilliant

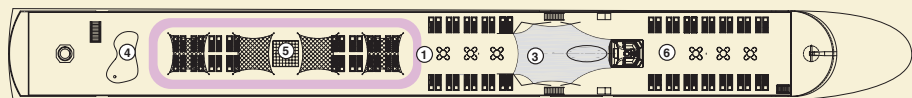

River cruises on Europe's most beautiful waterways

The m/s AMADEUS Brilliant has the same classic look as its two sister ships - the AMADEUS Elegant (2010) and AMADEUS Diamond (2009) - with a pointed bow and fits, with its 110-m length, perfectly into the elegant AMADEUS fleet. Passengers find the same high standards of service and interior fixtures and fittings as they have become accustomed to aboard the other AMADEUS vessels when they are greeted on the AMADEUS Brilliant by the atmosphere of a modern hotel room with TV, minibar and designer bath in the stylishly furnished 15-m² standard cabins. Most of the 67 cabins have magnificent panoramic windows and French balconies, which turn this mode of travel into a truly memorable experience. The same applies to the 9 elegant suites on the Mozart deck, whose 22-m² of space and equipment offer passengers pure luxury. The AMADEUS club with its library and Internet access is again a particular highlight for passengers, quite apart from the impressive sun deck with its comfortable deck chairs, the golf putting green and giant chessboard. A lift between each deck now makes this relaxed way of travelling even more convenient.
